

Your own .COM to your store

Here's a quick and easy way to look more professional with your own .COM domain name to visit your online store on Kronozio. Buying a domain name usually costs less than \$15 per year and have a considerable impact when we want to be taken seriously.

In this simple example I will show you what to do.

You can buy your .COM name at different places on the web BUT, features to allow you to link with the site Kronozio are not supported by everyone.

In my example I use one of the largest and more secure domain name supplier on the web and they supports what we want to do.

Go to www.godaddy.com

This search box allows you to find a name that is not already taken by another person. So be creative and choose a name that represents your store.

The screenshot shows the Godaddy website navigation bar with the search bar containing "mysportscardsstore.com". The search bar has a "SEARCH AGAIN" button and a "CONTINUE TO CART" button.

Once you found your name that it is not already taken.

YES! YOUR DOMAIN IS AVAILABLE. BUY IT BEFORE SOMEONE ELSE DOES.

The screenshot shows the domain selection page for "mysportscardsstore.com". The price is listed as ~~C\$16.99~~ C\$11.99* with a "SELECT" button. Below this, there is a checkbox for "mysportscardsstore.ca Targeting Local shoppers? Add this: C\$9.99". A promotional message "Get 3 and Save 78%" is shown, listing other domain options: "mysportscardsstore.net", "mysportscardsstore.org", and "mysportscardsstore.info". The price for these is ~~C\$66.07~~ C\$15.00* with a "SELECT" button.

It's now time to clique on
